

# TEAM GT 2008

A joint venture between Geoff Tewierik of The Dogs of War Warhammer Club and The Queensland Gamers Guild Inc.

## About the Teams GT

Teams of three players play against other teams of three players. Your team can be made up of players from your club, the shop you game at or just some mates that play. In your team you rank your three players from 1st (best player) to 3rd (not your best player). In the first round your team plays another team, with your ranked 1 player playing their ranked 1 player, your 2 versus their 2 and your 3 versus their 3. At the end of the round all your players' scores are added together to determine your team score which then determines which team you play in the next round.
